

# THE LIVESTOCK BREEDERS' SHOW & SALE 2023

Jamhuri Park Showground, Nairobi, 3<sup>rd</sup> 4<sup>th</sup> & 5<sup>th</sup> August

## Schedule of Classes for Jerseys

### Conditions

- Closing date for entries is **31<sup>st</sup> May 2023** but it would be appreciated if entries could be submitted sooner. Entry fees **600/-** per head. Young Handlers **300/-**. Groups & Production free. **Late entries will not be accepted.** Group members & Production entrants must also be entered as individuals in their relevant inspection class.
- Full details of exhibits must be entered on entry form, including sire & dam, all birth & calving dates. **All animals must be registered with KSB as at least Foundation.** *Copies of Registration Certificates, and for production classes copies of Official Lactation Certificates, to accompany entries.*
- Ages will be calculated from the first day of the Show i.e. **3rd August 2023.** Transfers may be made between classes free of charge if an animal calves early or fails to calve on her due date.
- Committee reserves the right to inspect any cattle entered, & if necessary to limit numbers of entries. Classes may be combined or divided if entries are insufficient or too many. Lines to be left clean and tidy on departure from the showground.

Animals should be in place by 5pm on 2nd August 2023 The show will close after a final Grand Parade of Livestock on the afternoon of 5<sup>th</sup> August 2023

**NB** to exit Showground **Movement Permits & ASK Gate Passes** will be required.

### Veterinary Regulations

- **Movement permits** are necessary. The regulations regarding Foot and Mouth Disease vaccination to be communicated at a later date. Lumpy Skin Disease & Anthrax vaccination are recommended but not obligatory. Exhibitors should check with their local Veterinary/Livestock Office if anything else is needed. There will be no movement of cattle from a farm in quarantine.
- Exhibitors must sign a certificate to the effect that to the best of their knowledge their cattle are not suffering from any contagious or infectious disease. All cattle must be sprayed with acaricide. Exhibitors must clear their livestock with the veterinary officer on arrival at the Showground. Any animals with skin diseases, foot rot or any unsightly condition will be refused entry.
