### **Ref: Livestock Breeders Show & Sale 2023**

The Livestock Breeders Show Trust wishes to thank all livestock exhibitors for working hard in preparing your stocks and showing your best during the Livestock Breeders Show 2018. We registered the largest number of entries ever and the quality of livestock was of high standard.

We could not have a show in 2020 and the following 2 years due to the Covid 19 pandemic.

Our next show will be this year from 3<sup>rd</sup> – 5<sup>th</sup> August 2023 at Jamhuri Park - Nairobi and preparations have already started in earnest.

On behalf of the Livestock Breeders Show Trust and the Show Organizing Committee I take this opportunity to invite our usual and new Livestock Exhibitors to the 2023 show.

We are looking forward to you showcasing the best of your livestock and enlightening show goers on best practices during the coming show.

Please arrange to start selection, training and grooming your livestock early and also plan to submit your entries latest by 30<sup>th</sup> May 2023.

The respective Breed Societies will submit to you the Schedule of Classes for your necessary action.

I also take this opportunity to wish you, your families and staff a happy prosperous new year

With kind Regards

Muchemi Kariuki

Chairman-Livestock Breeders Show Organizing Committee.
